

Dear Valued Parents,

**We would like to inform you that our school offer MyPaymentsPlus (www.MyPaymentsPlus.com), a state-of-the-art online service that provides you the convenience and information you need to manage your student's meal account.** This system speeds up serving lines in the cafeteria, eliminates the need to send checks to school or worry about lost or forgotten lunch money, and ensures that your child will receive a nutritious meal.

There is no cost to set up an account on MyPaymentsPlus. It allows any family to: Create a free, secured account to **manage all of your student's accounts:**

- **Check your student's account balance 24/7 online.**
- **Monitor** the items your student has been purchasing in the cafeteria
- Create settings to **receive email notifications** when the account reaches a low balance
- Download the FREE mobile app for iPhone, iPad and Android for payments on the go!

For a small program fee, MyPaymentsPlus allows any family to:

- **Make a prepayment** into your student's meal account using an e-check, credit card, or debit card at **www.MyPaymentsPlus.com**. Funds deposited through MyPaymentsPlus are usually available for student use within a matter of minutes.
- Create settings to **automatically replenish** your student's account when it reaches a low balance

**For the 2020-2021 school year, we strongly encourage all parents (even if you do not prepay for your student's meal account) to create an account at no cost through www.MyPaymentsPlus.com.**

To sign up, simply visit: **www.MyPaymentsPlus.com** and click on "Register a Free Account." You will need your student's ID number to complete registration. If you do not know your child's student ID, please contact your school to obtain this information. **Once you finish registration, you may login to begin managing your student's meal account instantly!**

For those who do not wish to use the MyPaymentsPlus, please send cash or check to the school in an envelope to the cafeteria manager of your school. If you are in need of assistance for your students lunch account, you can fill out a free and reduced application by paper or online at the district website (**www.pearidgek12.com**).

We consistently strive to find new and better ways to serve our students and our families, and I thank you for partnering with us in this effort. For any questions or help, you can contact me at the following e-mail or number.
